The offender tested positive for marijuana usage on October 12, 2011, October 18, 2011, and November 2, 2011.

2.                    The offender has violated the special supervision condition which states '**ALCOHOL/DRUG TESTING AND TREATMENT**

You shall abide by the rules of any program and shall remain in treatment until satisfactorily discharged by the Court. You shall alert all medical professionals of any prior substance abuse history, including any prior history of prescription drug abuse. The Probation Officer shall supervise your compliance with this condition.'**

(A) On September 15, 2011, the offender was referred for outpatient drug treatment. She failed to appear for six scheduled appointments to complete the intake assessments necessary for treatment.

(B) On October 15, 2011, the offender failed to submit to a scheduled drug test as required.

(C) On November 2, 2011, based on the offender's marijuana addiction, inability to attend outpatient treatment, and lack of support and structure, Daytop Drug Program recommended that the offender return to residential treatment for no less than nine months. At that time, the offender refused to enroll in another residential treatment program.

(D) On January 31, 2012, the offender entered residential treatment at the Green Hope Treatment Facility. On August 17, 2012, the offender was permanently discharged from treatment after she willfully separated from treatment against clinical advice and without the consent of the Probation Office.

I declare under penalty of perjury that the foregoing is true and correct.
